Daily Reflections

We are on term 4, week commencing 28th February 2011. Topic is on ‘’Making Mistakes” – this is available from the T-drive, under the daily reflections file.

Daily reflections - consultation

Currently we have a determination which allows us to follow our programme of daily reflections rather than holding a daily act of worship (of a broadly Christian nature).

Our determination is due for renewal. As part of the consultation process connected to this I am asking students, parents, staff and local faith leaders in the community for their views of our alternative collective worship.

I would welcome any comments you might have on the use of the daily reflection – whether these are general or practical or are suggestions for improving current arrangements.

Please get comments to me by 4th March. Thank you.
